General Terms and Conditions of Sale

I. Payment Terms

Net 30 days.

II. Minimum order

\$50.00 distributor cost.

III. Freight terms

All products are F.O.B. New Jersey.

Full freight will be allowed on shipments to destinations in the continental United States for orders of: \$750 on wiring duct and accessories.

\$1,000 for wiring duct and din rail combined.

\$1,200 for din rail.

\$2000 on VTR products*

***NOTE:** VTR Freight terms and standard IBOCO terms are not to be combined in one order.

All transportation methods requested by purchaser, other than IBOCO's standard carriers, will be subject to a prepaid and add charge.

IV. Sales Tax

Prices do not include sales, excise or similar taxes.

IBOCO reserves the right to add any taxes to the sale price imposed by law on the sale of its articles.

V. Prices

IBOCO Corporation is not responsible for the accuracy of any prices, discounts or terms shown on purchaser's orders. Orders will be accepted with the understanding that the products will be billed at price in effect at time of shipment, unless otherwise specified in quotation.

VI. Ordering less than standard package quantities

Issued quotes are valid on standard carton quantity only.

10% cost premium if less than one standard carton. IBOCO does not advise shipping broken boxes due to high risk of damage. If broken box is ordered IBOCO will not be responsible for damages once order leaves our warehouse. IBOCO will not credit invoice or reship product if damage occurs.

Din rails, VTR Products, cable ties and accessories are only available in standard packaging as listed in price schedule.

VII. Cancellation

Any order may be canceled for standard products without charge prior to shipment.

Cancellations of orders already shipped, or of special products which are in the manufacturing process, will be accepted with the understanding that IBOCO Corp. will be reimbursed for costs incurred as a result of the cancellation.

VIII. Claims

Claims for shortages/or erroneous deductions for charges must be made within twenty days of invoice date or will not be permitted.

IBOCO's New **VTR Modular Fiberglass Enclosures** allow you to

THINK OUTSIDE THE BOX

WORK

Removable door pin allows for left or right hinging in the field.

Standard key, optional lock available for maximum security.

Solid or window doors. Window doors for secured inspection.

Secure and durable molded handle.

Unique "Rail Channel Guides" for adjustable depth of din rail assembly, panels and frames.

Swing out inner door for enclosure security and device protection. Allows for right or left hinging.

Threaded insert for wall bracket mounting.

Modular frames with breakout shields for device spacing.

Innovative adjustable height din rail assembly for outside the box installation and field service.

Impact and corrosion resistant fiberglass body.

Adjustable blank panel for customized installations and modifications.

THE MODULAR FIBERGLASS ENCLOSURE

NEMA4X 

An innovator in the area of wire management, IBOCO continues its rich tradition in offering the market a comprehensive range of products that provide effective, efficient installations.

The new family of modular enclosures are designed to provide the installer an "ease of use" not found with any enclosure currently in the marketplace.

The 14 sizes available (seven solid door and seven window), offer a modular adjustable frame that enables the installer to virtually adjust din rail mounting components, modular panels and inner doors to desired heights, by literally using a quick quarter turn lock-in method, plug and play.

It is also designed so you may remove the entire back plate or din rail assembly from the enclosure making installation and maintenance much easier.

The VTR series provides modular solutions to the OEM that are unparalleled in the enclosure market. The innovative rail channel guides are designed for durability, ease of installation and maintenance.
